

## Capabilities Statement

### Who We Are

ImbuTec was formed in 2003 and has grown extensively since its inception. ImbuTec provides a full-range of general construction services to commercial, industrial, and governmental customers, and self-performs electrical construction elements. ImbuTec's approach is to first understand our customers' challenges, and to then solve them with creative, cost effective solutions.

### Services

- General Construction
- Electrical Construction
- Energy-Efficient Lighting
- Mass Notification Systems
- Security Camera Installation
- Design/Build Construction
- Construction Management

### NAICS Codes

- 238210** Electrical Construction
- 236210** Industrial Building Construction
- 236220** Commercial and Institutional Building Construction
- 237110** Water & Sewer Line and Related Structures Construction
- 237130** Power and Communication Line and Related Structures Construction
- 237310** Highway, Street, and Bridge Construction
- 237990** Other Heavy and Civil Engineering Construction
- 238110** Poured Concrete Foundation and Structure Contractors
- 238160** Roofing Contractors
- 238190** Other Foundation, Structure, and Building Exterior Contractors
- 238220** Plumbing, Heating, and Air Conditioning Contractors
- 238320** Painting and Wall Covering Contractors
- 238390** Other Building Finishing Contractors
- 238910** Site Preparation Contractors
- 238990** All Other Specialty Trade Contractors
- 423610** Electrical Apparatus and Equipment, Wiring Supplies and Related Equip. Wholesalers

### Differentiators

- Successfully completed simultaneous projects in multiple states
- Timely performance within budgetary constraints
- Bonding capacity of \$8M aggregate, \$4M per project

### Financial

- Financial information available upon request

### Company Designations

SBA 8(a) Certified  
MBE & DBE Certified  
DUNS: 144082968  
CAGE Code: 391E2
